Sunday, April 29 When you arrive in Aruba you will be transported to the Westin Resort. Ron Rubens and Rebecca Joy will welcome you and check you in. Get settled in your room before the Welcome Party at 9PM. After the Welcome Party the Poker Room will be open for your playing enjoyment!

Monday, April 30 You'll be able to collect your Boot Camp goodies if you missed them on Sunday.

Your first one hour Training Session begins at 10:30am. Topics will focus on No-Limit Hold'em Tournament play and will be lead by two world-class poker pros. The Poker Room will be open all day and ready to spread any game, of any limit that you request. After instruction you will have a short break and then lunch will be provided.

At 1:00pm cards are in the air for the first Tournament. Our top Poker Pro's will be each table, ready to play and talk poker with you! The tournament will be a Shootout, which is a single table tournament similar to a Sit & Go, but with a twist. Every table plays down to one winner, then that player advances to next round, where all the winner's of each table compete against each other. At the Final Table, the players will have the chance to a win WPT Main Event Seat! Each round has a great structure and lasts about 4-5 hours.

As players bust from the tournament, the poker room will be open with cash games and more tournaments. After the first round of the Shootout you will enjoy a dinner break for 90 minutes (dinner not provided). At 8:00pm you will then return to the poker room to play either the Final Table of the Shootout (if you were the winner of your table) or to play another tournament. This second tournament will be a traditional Sit & Go (one-table tournament). At this table you will find yet another Poker Pro ready to play and answer all your questions.

Tuesday, May 1 and Wednesday, May 2

The schedule will be similar to Monday and every bit as good! The Poker Room will be open all day. The one hour Training Session will begin at 10:30am with lunch provided afterward.
